Audio Book Lending Library

Need a good book on tape? Visit the table at each general meeting. Your support and \$5 donation benefit the local scholarships given each year to deserving women returning to college. A list of all titles available for circulation is now available---stop by and pick one up!

Book Cassette Group

The Book Cassette Group currently has one CD and two tape-cassette round robins going involving 30 members and spouses. We rotate chosen books on a specific schedule every six weeks. At the conclusion, members meet to discuss the books and to choose their new cycle. Each member purchases a book-on-tape or CD and receives the book back at the end of the cycle. The member then keeps the book, or loans it to the AAUW book-on-tape rental table (with those funds going for scholarships), or donates the book to Smiley Library (for possible tax write-off). The cassette groups conclude March 2008 and August 2008, so those AAUW members who want to be part of the next go-around should let Nelda Stuck know so they can be incorporated in all the planning. The CD group concludes May 2008 under the chairmanship of Sally Trost, so contact her if you are only in the modern/future world with your car or home player systems and only want to listen to CDs. We thank Kay Dobbertin for taking care of the finances from our kitty fund and ordering any replacement tapes!

Chairs: Nelda Stuck and Sally Trost

Reading and the Rainbow

"The circus, the Great Depression, a complex elephant, equally complex love, the mists and twists of memory articulated in the utterly warming voice of a very old man who's seen it all: These are the irresistible elements of *Water for Elephants*." We will read and discuss *Water for Elephants* at our next meeting at 7 p.m. on Thursday, January 24th, 2008, at the home of Amber Costa.

We want to thank Amber for her connection and calling card that enabled us to talk with author Chris Holloway at our last meeting. It was a great to talk with Chris about her book, her experiences with Monique and Africa and her life today. Thank you, Amber and Chris!

Fans of Joyce Carol Oates take note: she is scheduled to appear at UCR during Writers Week 2008. She will read from her work and talk about her writing at 8:00 p.m. on February 8th in the University Lecture Hall. We will have copies of the Press-Enterprise article about the conference at the January meeting.

Recorder Group

The Recorder Group will be playing an interesting program for the Cosmos Club. It is a program of Renaissance Dance and art which we have been preparing over the past season. We will be giving this program on the 8th of January and after that we will be changing our focus so it will be a good time for those of you have been thinking of joining the group to get in on the ground level and learn the new music with us. We would love to have more players

A Huge Education Foundation Thank You!

The EF Committee would like to thank everyone who participated in the Theater Benefit at Footlighters. We enjoyed wonderful attendance, the gift baskets were outstanding (thanks to the interest groups who generously donated a basket: Reading and the Rainbow, I Think..., California Cuisine, International Relations, and the Recorder group), and the play was terrific! Special thanks to all of the members of the EF Committee, the Board, and Mary Dalton for helping to make the evening a success. Your support allowed us to maintain our commitment to the funding of the Redlands International Endowment Fund, which will, when completed, fund an International Fellowship.

The February Branch Meeting will be the traditional Education Foundation Brunch. In the February newsletter, there will be heart envelopes for contributions toward our Redlands International Endowment Fund. Any amount is appreciated. Special recognition is given to First (\$100 gifts), Second Century (\$200 gifts), and Chocolate (\$300 or more gifts) Clubs. These gifts are tax deductible and will go toward giving proven scholars the opportunity to reach their postgraduate dreams, including the chance to change careers in this time of burgeoning technology, start new projects, and many other wonderful forward-thinking projects. Your generosity will indeed help towards changing the world! Look forward to an excellent speaker at the Brunch, as well. See you there!

Karen Skoog, Education Foundation Committee Chair

Please note: if you send your information by email and do not receive an email back from me within a day, please call me. I may not have received your email.

The President's Corner

Soon it will be 2008. What an exciting and fascinating year it will be. The Democratic and Republican conventions, summer Olympics in Beijing, and finally the presidential elections. Whatever candidate you are supporting, I hope that he/she is nominated for the president and elected. :>)

Closer to home, in January the Area Pass Group is having their Math/Science Conference at the Mt. San Jacinto College. We can be very proud of this group. Though they are small in number, they do a great job putting on this conference. I know before Friday, January 11th they could use some help. Please volunteer and call Bessie Reece.

The Redlands Area Math/Science Conference is February 28th. There is still time to Adopt-A-Girl and help stuff envelopes and packets. Look within these pages for more information on both conferences.

I wish you all a very healthy, safe and Happy New Year. May it be the best year yet!!
