Educational Foundation Brunch Program

Saturday, February 2nd is the day for our annual Educational Foundation Brunch! We have several events planned for this branch meeting, so be sure to make a reservation to be there!

First, we are delighted to welcome Natalie Joy, an AAUW American Fellow studying at UCLA. The title of her talk is "*A Most Sacred Duty: Women in the Antislavery and Anti-Indian Removal Movements.*" Natalie's dissertation is an examination of the intersection of these two movements in the antebellum United States and the role of women in them. We look forward to learning more about this interesting historical topic!

The program on February 2nd will also include the presentation of Named Gift Honorees. These individuals, recommended by past honorees, will be recognized for their outstanding service to AAUW and the community. Be sure to join us in honoring our own! Please remember that a meal reservation is not necessary in order to attend the program portion of the meeting.

Karen Skoog, Educational Foundation Chair

EF International Fellowship Endowment Support

As is traditional for February, we ask your support towards the funding of our EF International Fellowship Endowment. On Page 5 of this newsletter you will find a coupon and a "heart" envelope for contributions to the International Fellowship Endowment. Either send your contribution and coupon to Karen Skoog in the envelope provided or bring them to the February 2nd brunch. Any amount is appreciated!

Special recognition is given to First and Second Century Clubs, which are gifts of \$100 and \$200, respectively. In addition, there is a Chocolate Club for donations of \$300 or more. You surely will want a cute little heart sticker for your nametag!

These gifts are tax deductible. The EF Committee is counting on the support of our members to help complete our Fellowship. Your yearly contributions will make a huge difference in the lives of the recipients of this Fellowship. Thank you!

Education Foundation Committee Chair

Local Scholarship News

The Audio Books on tapes or CDs are back in business. The \$5.00 rental goes to the Local Scholarship Fund. We also have tapes and CDs that men would like.

Your garage and closets are now cleaned out for the June Local Scholarship Yard Sales. Nancy will accept all donations that are in good condition. Call Nancy.

Mark your calendars for June 14th. That is the big day and we need a lot or help even though we work in shifts. There will be a work day to presort after the brunch on June 7th. Then we will be sorting and pricing the entire week before the sale. Please let Nancy or Ann Harding know when you can help.

Pass Interest Group News and Thanks

The Pass Interest Group would like to thank all the branch members who volunteered their time and talents to make our Eighth Annual Math-Science Conference a success. A very special thanks to Leslie Priest who, using her computer, placed the girls into their workshops and printed the name tags.

In February we will be working on selecting the seventh grade girls who will be attending Tech Trek at University of California, San Diego this year. The cost for each girl is \$850 for the week-long camp. We hope to send four girls from the Pass Area this year. Due to the popularity of Tech Trek, selected alternates will not be able to pay their own way to camp. We feel that Tech Trek is a most worthwhile project. Tech Trek, UC San Diego is looking for AAUW members who would be willing to work as a dorm mother or serve in other capacities. The camp will be July 13th through the 19th this year. Contact Bessie Reece if you wish further information.

Audio Book Lending Library

Need a good book on tape? Visit the table at each general meeting. Your support and \$5 donation benefit the local scholarships given each year to deserving women returning to college. A list of all titles available for circulation is now available---stop by and pick one up!

Book Cassette Group

The Book Cassette Group currently has one CD and two tape-cassette round robins going involving 30 members and spouses. We rotate chosen books on a specific schedule every six weeks. At the conclusion, members meet to discuss the books and to choose their new cycle. Each member purchases a book-on-tape or CD and receives the book back at the end of the cycle. The member then keeps the book, or loans it to the AAUW book-on-tape rental table (with those funds going for scholarships), or donates the book to Smiley Library (for possible tax write-off). The cassette groups conclude March 2008 and August 2008, so those AAUW members who want to be part of the next go-around should let Nelda Stuck know so they can be incorporated in all the planning. The CD group concludes May 2008 under the chairmanship of Sally Trost, so contact her if you are only in the modern/future world with your car or home player systems and only want to listen to CDs. We thank Kay Dobbertin for taking care of the finances from our kitty fund and ordering any replacement tapes!

Chairs: Nelda Stuck, Sally Trost

Reading and the Rainbow

Date Alert: Because the Math-Science conference will be held on February 28th, we will meet on the third Thursday, February 21st. We will meet at the usual time, 7:00 p.m., at the home of Kathy Presnell-Best.

The Heart of the Matter by Graham Greene is our classic book for the year. Graham Greene was a prolific writer and one of the most widely read of 20th century authors. He was a novelist, short-story writer, playwright and journalist, and many of his works were made into films as well. His novels treat moral issues in the context of political settings. *The Heart of the Matter* is set in West Africa where Greene was posted while working for the Secret Intelligence Service during World War II. Pride, individualism, love and evil are woven together in Greene's inimitable style.

John Updike wrote "The three novels...*Brighton Rock*, *The Heart of the Matter* and *The End of the Affair*...all have claims to greatness; they are as intense and penetrating and disturbing as an inquisitor's gaze. After his modest start as a novelist under the influence of Joseph Conrad and John Buchan, Greene's masterly facility at concocting thriller plots and his rather blithely morbid sensibility had come together, at a high level and intelligence and passion, with the strict terms of an inner religious debate that had not yet wearied him."

We look forward to our usual stimulating discussion.

Reminder: Joyce Carol Oates is speaking at UCR at 8p.m. on Friday, February 8th.

Chairs: Pat Kruger and Kathy Toister

A donation is made in their names to the Redlands International Fellowship Endowment. Besides this presentation, an American Fellow from UCLA will be the speaker. Take time to read the article on the front page and come to enjoy her speech on February 2nd.

The EF committee has had a very successful year starting off with the theater party. The new fund raiser of recycled cell phones and ink jet cartridges will continue to keep Redlands AAUW green! All this happens because of Karen Skoog's and her committee's leadership. My Thanks to you!

Be sure to peruse the pages of this Branches and Twigs and join in all the various and fun activities.
