## **Redlands Branch Looks Forward to the Coming Year**

What happened in Redlands in 1946? The national agenda was to unite women alumnae from colleges and universities for practical educational work, for the collection and publication of statistical and other information concerning education and for the inspiration of higher standards of education in general. This was our founding mothers' mantra since 1881.

The San Geronio Branch Year Book 1946-1947 states the branch was formed in 1909, we supplied the California State President in 1915-1916 and our committees for that year consisted of Creative Arts, Economic and Legal Status of Women, Education, Fellowships-Scholarships, Finance, Hospitality, International Relations, Legislation, Membership, Publicity, Social Studies and Transportation. In addition, there were Study Groups in Colton, Redlands and San Bernardino. The seven Branch meetings were held at the YWCA.

By now you have determined we have a celebration to plan for next year. I invite all past presidents to organize our 60th year celebration. As we look back towards our roots we see both that we have moved forward over the years, but there are always new challenges to address. Let's combine our talents to plan a fun and fulfilling year as well as a heart felt celebration of our accomplishments.

### AAUW Background

## Member News

We are saddened to report the passing of Elaine Dixon (1992-2004) May 8th, two weeks after the death of her husband Joe. Elaine, with the ever-present smile, was musically talented and shared that gift with the community. During one of our September membership brunches, she was part of a group of "strolling violinists."

Our sympathy also goes to the family of former AAUW member Phyllis Joy Roberts (1994-2005) who died May 30th in La Mesa, CA. She is survived by sons Christopher and Timothy, and daughter Julie Leonard. A memorial service was held June 1st in La Mesa.

## Have You Renewed Your Membership?

Saturday July 1st finds AAUW beginning its new year 2006-2007. If you have not renewed, it is most important to send your \$85 check made payable to AAUW-Redlands Branch IMMEDIATELY! See the Membership Renewal form on page 5 for full details.

Work is already underway towards the printing of our new yearbook. Our yearbook is an integral working tool for our officers, interest group chairs, those involved with the newsletter, as well as members wishing to make contact with each other, and we want YOU to be included!!!

Renewing your membership now assures you of not missing any of the publications of the Association, State or Branch.

A self-addressed envelope was included in the May issue of "Branches & Twigs," and renewal forms have appeared in the last two issues. (If you are not planning to renew this year, please contact Mabelle Nazikoglu by email or phone or call Beverly Cox as soon as possible.)

Please get that important check in the mail TODAY.

## BOWL USHERS NEEDED

The Redlands Branch of AAUW, as part of our community involvement, will be ushering at the Redlands' Bowl on Friday, July 7th for a performance by the Americus Brass Band. We are in need of 10 to 16 ushers who will pass the "red bowls" at intermission to collect a free will offering which supports the bowl programs. This is a wonderful way to get involved with a minimum amount of effort!

Volunteers may show up at 7:45 p.m. for a 20-minute commitment, can attend the performance and assist at intermission, or arrive at the bowl around 6:15 p.m. with a picnic supper and share fellowship with other members.

If you can assist with this event please call Louise. Spouses, teens, and friends are also welcome to attend and assist.

## Local Scholarship---an Update!

The garage sale on June 10th was a long day! Many AAUW members started at 5 a.m. and went until 4 p.m. Special thanks are extended to Nancy Yowell who volunteered her home (again) for the sale. Thanks are also given to the wonderful members who worked so hard during the week---cleaning, pricing, and sorting all of the wonderful treasures. Our experiences with the sale bring such joy that we all (mostly) ready to do it again---next year!

We have many repeat customers who are there bright and early to take advantage of the great prices. This year we sold a lot of shoes, clothes, and small items. One of the joys of working the sale is helping families who need so much! One young couple that was trying to furnish their first apartment bought the dining room table and chairs. Another young mother bought the day bed and a leather chair. One woman bought 12 pairs of tennis shoes---the size didn't matter---to take to her family members in Mexico. A family of four bought \$22 in clothes and the little girl didn't want to part with her "new" top so it could be folded and priced. Two elderly women did "drive-up" shopping.

There was also a group of eight foreign exchange students from Loma Linda. They were there to see, first hand, the American experience of a "yard sale" and they were impressed! Many commented on the great idea of recycling items and turning the funds into scholarships. A young man from Nigeria bought the cell phones that were donated. The young woman from Uganda stayed behind (while the others went to lunch) just so she could continue to try on the clothes! We also had young people from Mission Aviation shopping for small household items.

The bottom line is that this event wouldn't be such a success without the donations that make it all possible. Please continue to save your slightly used items and think of the local scholarship arm of Redlands AAUW when you do your summer cleaning. We store large items.

The total to date from the sale was over \$3000 with some funds still coming in! Thanks so much!!

## **The President's Corner**

My 2005-2006 presidency has whizzed by. Your executive board and board members did an outstanding job! Each of them I respect and give my sincere thanks! No president does the job alone. In this mode I ask each of you to offer your time to the new Board, be it one hour or more. We can find time to watch something on TV or go to an interest group yet not give a moment to the smallest need of AAUW. Please also remember that, according to the By-Laws, a guest may only come twice to meetings or interest groups without becoming members. The following members make up your new Executive Committee officers and they are outstanding!

Sharon Bealer, President; Sue Angell, President-elect; Renae Reiswig; Membership Vice President; Doris Billings, Recording Secretary; Dorothy Nordquist, Corresponding Secretary; Gwendolyn Wysocki, Treasurer.

As of yet the position of Program Vice President is not filled but there is an exciting and excited committee. Believe me, one of the easiest jobs is Program VP.
