Celebrating the Holidays with . . . the East Valley Singers, December 5th

Do you relish beautiful choral music? Then come to our branch meeting Tuesday, December 5th and ENJOY!

East Valley Singers, under the direction of Rita Stevens, is a highly select chamber choir comprised of 11th and 12th graders who display exceptional talent. Students in this choral ensemble must audition and prove that they have outstanding sight-reading skills as well as an exceptional voice. Students in this group perform choral literature of all styles with an emphasis on Renaissance music. They compete throughout the academic school year at many collegiate choral festivals. They are considered to be one of the finest chamber choirs in Southern California and were invited to compete in the prestigious Golden State Competition. In addition, they have won several first place awards including the invitational Choral and Sight-reading competition at California State College at Fullerton. They traveled to New York City to compete in the Festival of Gold, which is considered to be one of the finest invitational festivals in the country.

Rita Stevens is the director of choral music at Redlands East Valley High School. Her education includes a Bachelor of Music degree from the University of Redlands and post-graduate work as a graduate assistant at the University of Redlands. As a graduate student, she was given the Pi Kappa Lambda award for academic achievement and contribution to the University of Redlands. In addition, she was given a full academic scholarship to complete her Master's degree. She was nominated to the Who's Who of American Teachers four times and has received numerous awards as outstanding teacher. She and her husband John, a composer of choral music and a history teacher, live in Redlands with their three children.

AAUW Mission Statement

AAUW promotes equity for all women and girls, lifelong education and positive societal change. In principal and in practice, AAUW values and seeks a diverse membership. There shall be no barriers to full participation in this organization on the basis of gender, race, creed, age, sexual orientation, national origin, disability or class.

AAUW Background

AAUW founded in 1881, is open to all graduates with an associate or higher degree from a regionally accredited college or university. AAUW is California's most active and diverse organization offering action for equity, personal and professional growth, community leadership, and friendships.

Local Scholarship Recipients

On November 7th, the AAUW Redlands Branch presented scholarships to six very deserving women. Members of the local scholarship committee introduced the recipients that evening.

Each of the following women will receive a \$1,500 scholarship: Bonnie Tat, Anne Marie Turner and Sonya Zurcher. Bonnie Tat of San Bernardino plans to attend California State University, San Bernardino (CSUSB) majoring in Liberal Studies and Human Development. Her academic goal is to graduate with a Master's Degree in Liberal Studies and receive a teaching credential. Anne Marie Turner lives in Redlands. She is a full time student at Loma Linda University in the nutrition certificate program, and her goal is to become a registered dietitian. Sonya Zurcher's home is in Highland where she lives with her four children. She also attends CSUSB and plans to receive her B.A. in Liberal Arts in 2008.

These three women who are attending area two-year colleges will be awarded a \$750 scholarship: Nelly Reyes, LaFreda Hyman, and Tashana Sybliss. Nelly Reyes is from Peru where she taught elementary school. She attends Mt. San Jacinto College majoring in business administration. In 2008 she plans to transfer to UC Riverside. LaFreda Hyman lives in San Bernardino and attends San Bernardino Valley College. Her goal is to receive an A.A. degree and then transfer to CSUSB to major in Criminal Justice. Tashana Sybliss' home is in Grand Terrace and she, also, attends San Bernardino Valley College. After receiving her degree, she plans to transfer to Loma Linda University. Her goal is to receive her BS in Nursing and eventually an MS in public health.

These scholarships were made available because of Redlands branch annual yard sales and also, the rental of books on tape. So that next year AAUW can honor more women with scholarships, members must think ahead to June 2007.

June 9th has been selected to be the date for this sale. Once again Nancy Yowell will be providing her garage and yard for this event. Her garage is already being filled with members' donations. Read about how you can help with the 2007 yard sale in each Branches and Twigs or call Nancy for more information.

Also, be sure to rent a Book On Tape at the next Branch meeting. They cost only \$5!!!

She says she will talk about the importance of girls' education. The workshops are on June 29th from 4:00 to 5:15 p.m. and July 2nd from 11:30 a.m. to 12:45 p.m.

She has reserved a room with two queen beds at the Hyatt Regency arriving Friday June 29th and departing Tuesday July 3rd. If anyone from the chapter would like to share the room for all or any nights, Jane says "let's do it!"

Adopt-A-Family

AAUW will participate with the Family Services Association of Redlands Adopt-A-Family program by sponsoring one family during the holidays. With your contributions we will be able to brighten the holidays for this family by presenting them with Christmas gifts. Contributions, either cash, check or a gift certificate, will be collected at our December branch meeting. Contact Kathy Toister for more information.

Educational Foundation Update

As this is being written the benefit performance of "Morning at Seven" at the Footlighters' Theater is only a week away and the Educational Committee is busy finalizing arrangements. The EF committee is grateful to all who purchased tickets and especially to the interest groups that donated baskets for the opportunity drawing.

As we conclude the first fundraiser of the year, the EF committee turns toward planning the annual EF brunch where a recipient of an AAUW Fellowship is usually our speaker. At this time many of our members give generously to First and Second Century Clubs. These donations are \$100 and \$200 respectively. Larger amounts are always welcome and any donation over \$300 is designated as the Chocolate Club. All donations are tax deductible.

All money raised by the Redlands EF committee will be added to the Redlands International Fellowship Endowment. Upon completion of the \$100,000 endowment, interest will be used to fund the education in the United States of a post baccalaureate student from a foreign country.

DID YOU KNOW?

Did you know that the Redlands AAUW Branch was formed in 1947 when we broke off from the San Gorgonio Branch, the third oldest AAUW branch (1909) in California?

Did you know that our dues were raised from \$6.70 to the astounding amount of \$7 in 1953?

Did you know that in 1963 our AAUW branch participated in the Redlands' Jubilee Parade with a float portraying the town's first physician, Dr. Ellen Brown?

Did you know that in 1972 AAUW endorsed the Equal Rights Amendment?

These are just a few of our memories that have made our branch so special. Please join us for a remembrance of our 60 years at the Saturday, April 7, 2007 branch meeting when we will celebrate our wonderful Redlands branch memories.

3/1 CONFERENCE

The President's Corner

Let's take a few moments to thank those in our Branch who take many moments each month to make our organization successful. Our Newsletter Editor, Jennifer Hill, our Publicity Chairs, Jan Bell and Amber Costa, our Membership VP, Renae Reiswig our Treasurer, Gwen Wysocki, our Meeting Arrangement and Reservations Chairs, Grace Hart and Antoinette Brenion, and our webmistress, Leslie Priest, are just a few of those who volunteer so much of themselves. It is very rewarding to work with such committed women for the success of our Branch.

Dorothy Richardson, our Program VP has organized a wonderful program this year with the help from those on the Committee. Don't forget we have holiday music ahead of us as well as the Tango in January. Invite a dancing guest for a quick lesson early in 2007. Let's make this a fun event.

As we look back on 2007 we need to bear in mind the many successes we have in our Branch. We have many interest groups meeting monthly and our community support continues. Membership is growing again. Our State President visited us in November and we awarded scholarships to three women each at the University and College levels of education. We will complete this term with a Women's history event, our 60th Anniversary Celebration, a science program and finally, a local history program.

Best wishes to each of you as we close out 2006 and begin 2007, hopefully leaving our world in a better place than before.

*“Gratitude unlocks the fullness of life. It turns what we have into enough, and more.
It turns denial into acceptance, chaos to order, confusion to clarity.
It can turn a meal into a feast, a house into a home, a stranger into a friend.
Gratitude makes sense of our past, brings peace for today, and creates a vision for tomorrow.”*
